

Doraemon Scene Template

Editable Scene Layout | Replace elements with your own art or story panels

[Bamboo-Copter]

Doraemon

Anywhere Door

Gadget zone

How to use this template:

1. Replace the blue placeholder zones with your scene panels or hand-drawn art.
2. Add speech bubbles above characters (use the [] zones as anchor points).
3. Swap gadget labels with any Doraemon gadget name of your choice.
4. Print and fill in dialogue, or edit digitally in any PDF editor.
